

## GOVERNOR (1977-1985 : MATHESON) [446]

### COUNTY RECORDS, 1976-1983.

3 cu. ft. and 5 microfilm reels

**DESCRIPTION:** This series contains correspondence, "county profiles," newspaper clippings, and other information generated by county governments, the Governor's office, and others regarding issues of concern to those counties and the development of policies to address those concerns. This series also includes schedules and other related materials generated by Governor Matheson's office regarding trips that Matheson made during his administrations to counties throughout Utah. Also contained in this series are records from representatives of various governments of cities and towns, filed with records from the appropriate county. Issues of concern to local and county government representatives include water management, economic development, employment rates and job training, highways and transportation, energy development, power plant sitings, wilderness designations, housing, health facilities, and the floods and mudslides that several Utah counties experienced in 1983.

**ARRANGEMENT:** This series is arranged alphabetically by document type or topic, thereunder alphabetically by county or association name, thereunder chronologically by day.

**PROCESSING NOTE:** This series was microfilmed in 2004 and the hard copy kept because of the intrinsic value of the papers. It was processed by Kira Robertson in February 2002.

**PREFERRED CITATION:** Cite the Utah State Archives and Records Service, the creating agency name, the series title, and the series number.

**GAPS:** Possible gaps may exist with the sparseness of records from 1981-1982.
